In order for us to save the date/time you would like, please fill out the form on the next page and verify with Yvonne that the day/time is available. We will reserve the day/time you choose upon receiving the Information Form and we will hold that spot until two weeks prior to the party when your deposit is paid. If you do not pay your deposit fee by two weeks prior to the party we reserve the right to give that day/time slot to another party. Payment for your party is due directly before your party begins.
